

SMALL GRANTS

PAIN RELIEF FOUNDATION

Pain Relief Foundation is pleased to invite applications for grants to fund research on the mechanisms and /or relief of human chronic pain. The grants may be in respect of projects and salaries etc. but **there is no budget for equipment or overseas travel.**

Grants previously awarded have varied starting from £10,000.00 each rising to £30,000 each.

Applications will be particularly welcomed from people in the early stages of their research careers. The grants may be held in Pain Relief Foundation's Pain Research Institute in Liverpool, or at other approved centres.

To obtain an application form, please apply by email to:

Julie Williams
Pain Relief Foundation
Clinical Sciences Centre
University Hospital Aintree
Liverpool L9 7AL

Tel: 0151 529 5820

**Closing date for completed applications is
February 18th 2022**

PhD GRANTS

PAIN RELIEF FOUNDATION

Pain Relief Foundation is pleased to announce ***the Prof John Miles Prize PhD Studentship***, to enable a graduate to embark on a research career in human chronic pain. Applications are invited from **Universities, Academic Institutes and other potential Project Supervisors** for this prestigious Studentship in human chronic pain research.

The grant award will be tenable for three years and will carry a **tax-free stipend** and tuition fees totalling £16,700 in the first year, with increases in years two and three. In addition, there will be a small budget available to cover consumables. **There is no budget for equipment or overseas travel.** The total grant is unlikely to exceed £60,000 over 3 years.

Applications should include the Supervisor's C.V. and complete details of the proposed project. The application should name two academic referees.
